

Coast Guard Talk  
1200, Wednesday, 19 November 1980  
Ft. McNair

Evaluation of US intelligence today

1. Evolving faster than ever before

National - revelations of mid-70's forced  
reappraisal of

-what intel agencies should do

-how they should operate

-how best control

World events past year - not just military -

economic & social change - threat

e.g., Middle East, Caribbean

2. More open

democratic society

But can't do intel without secrecy

find right balance
